“ Fair Publishing House has been our ribbon provider for many years. Each year, we come up with a new, creative theme and we like to reflect this in our champion ribbons. New colors/patterns are selected annually. The staff is patient with us as we share our initial thoughts and ideas (sometimes a little strange) and develop them with us, providing ribbons that our exhibitors love and strive to win! There are special discounts if you buy early, and are very accommodating if you forgot a ribbon(s) and need to create additional orders, all by the requested deadlines! Ribbons are packaged very neatly and organized, which makes them easy to inventory upon arrival at the fair office. Most recently, we also discovered a beautiful silver and gold ribbon jewelry line. Several staff and board members have ordered sets! They're a fantastic company to work with all round, providing great customer service, beautiful products delivered on time. I trust the staff at FPH and consider them family - and part of our fair's team! ” - K.N. Frederick, MD

“ We have been using Fair Publishing for more than 35 years. We are extremely impressed with their service and commitment to the fair industry. When ordering ribbons or banners, we never worry how the product will look because the staff takes the extra time to ensure our order is correct and that the color combinations we have chosen will work. I would recommend Fair Publishing to anyone who wants quality products and courteous service. ” - B.F. Canfield, OH

“ Consistency is the strongest word I have for The Fair Publishing House - as this applies to their service, quality of product and genuine appreciation for me as a customer. They fulfill my order both quickly and perfectly. Truly a great partner! ”  
- B.P. Columbus, OH

“ Our Fair depends on Fair Publishing House for all of our supplies. Quality merchandise and exceptional service, for whatever I need. It just doesn't get any better than Fair Publishing. You make us feel like “family.” I appreciate you and all of your help over the years. I hope Fair Publishing House and the Doyle Family have many, many more years to come! ” - M.B. Boise, ID

“ Over the years as the “ribbon lady”, you have guided my choices on ribbon design and sizes while keeping me within my budget. I'm so proud to see our class competitors walking around the fair showing off their ribbons. When I open this catalog I know I can find so much more than event awards, I can find everything we need to run an organized fair. Thank you so much for being a business that understands and cares about all the details. ” - L.W. Ventura, CA
